

Greensboro Wonder & Wisdom, Inc.  
Authorization To Give Non Prescription Medications

It is the policy of Greensboro Wonder & Wisdom, Inc. to only give non prescription medications with written and verbal authorization of a parent or legal guardian.

Such medications may include Tylenol, Ibuprofen, Tums or a generic of either.

Even with written authorization, should it be deemed necessary that such a medication would be appropriate, we would not dispense the medication without a verbal approval at that time.

Name of Child: \_\_\_\_\_ Date: \_\_\_\_\_

I authorize Greensboro Wonder & Wisdom, Inc. To dispense a non prescription medication as indicated above to my child, only after contacting me or my authorized representative prior to giving the medication. I authorize the use of the following non prescription medications.

Tylenol	Yes	No
Ibuprofen	Yes	No
Antacid (tums)	Yes	No
Other: _____	Yes	No

If we do not have a written authorization, we can not give any non prescription medication with only a verbal authorization.

Name of Parent or Guardian: \_\_\_\_\_
